

**E. St. Louis Service Trip
Background Check Release Form**

For the safety of all our volunteers and our youth in particular, background checks will be run for everyone participating who did not receive a background check for last year's trip.

I give the organizers of the E. St. Louis Service Trip my permission to run a background check on me, including records of felonies and incidents with minors. I hold the agency conducting the background check, the NW Suburban Interfaith Council, participating congregations and their clergy harmless for investigating my background.

Signed: _____ Date: _____

Please provide a copy of your driver's license with your Social Security number on the copy. For the safety of personal information, only hard copies, please.
